Slawson Appointed President of Oshkosh Specialty Vehicles

OSHKOSH, Wis. (November 23, 2006) - Oshkosh Truck Corporation [NYSE: OSK] announced today it has appointed John Slawson as president of its subsidiary, Oshkosh Specialty Vehicles (OSV). OSV, formerly AK Specialty Vehicles, was acquired by Oshkosh Truck Corporation in August 2006 and is a leader in mobile medical, homeland security command and communications, and broadcast vehicles. Slawson replaces interim president Michael Conger, who has taken on new responsibilities within the corporation's defense business.

In his new role, Slawson will assume overall responsibility for OSV, including strategic planning, sales and marketing, service, purchasing and operations. Most recently, Slawson was Director of Dealer Development at Pierce Manufacturing Inc., the leading manufacturer of custom fire apparatus and a sister company to OSV. In that position his focus was strategic business planning, succession planning and performance-based certification for Pierce's nationwide dealer network. Prior to joining Pierce, he was Vice President of Sales and Marketing at Stahl-Scott Fetzer Company and at Swenson Spreader.

Slawson holds an M.B.A. from Loyola University - Chicago and a B.A in history from Marquette University, Milwaukee, Wis.

About Oshkosh Truck Corporation

Oshkosh Truck Corporation is a leading designer, manufacturer and marketer of a broad range of specialty commercial, fire and emergency and military trucks and truck bodies. Oshkosh's products are valued worldwide by fire and emergency units, defense forces, municipal and airport support services, and concrete placement and refuse businesses where high quality, superior performance, rugged reliability and long-term value are paramount.
